EXPERIENCE

Freelance Designer/Student

2018 - 2020

Self Employed

Hurst, TX

Design and development of various small projects while studying web development.

Key Accomplishments:

- Designed and built thesaloon.agency Wordpress website for a small start-up design company.
- Designed and built advancedergonomics.com using Wordpress completely revamping and enhancing their brand and client-facing website.
- Graduated from Southern Methodist University with a certificate for full stack web development.

UX/UI Designer, Consultant

2015 - 2018

Sabre

Southlake, TX

Lead UX/UI designer within a specialized team for the conceptualizing and prototyping of new up-and-coming products.

Key Accomplishments:

- Upgraded brand identity by delivering attractive, user-friendly and consistent patterns across the entire portfolio.
- Advised and mentored team members on design issues and served as a bridge between UX and internal design language team members.
- Conducted usability testing and post-deployment evaluations to measure user experience success.

Sr. Visual Designer

2015 - 2015

AIM Consulting

Addison, TX

Led visual design for a specific client who was not responding to previous designs.

Key Accomplishments:

- Successfully delivered new branding and client-facing interface enhancements.
- Enhanced website with responsive solutions
- Headed up all communications with development teams to ensure proper implementation

Sr. Web Designer

2014 - 2015

AT&T Foundry

Plano, TX

Delivered optimized and usable interfaces for AT&T services applications.

Key Accomplishments:

- Revamped look and feel for a major path within the AT&T infrastructure
- Rapidly developed and iterated product and feature prototypes from conceptual demonstrations.
- Delivered all screen-flow diagrams and UI spec documentation for developers.

Mobile UI Designer

2012 - 2014

Seven Tablets

Plano, TX

Designed optimized and usable interfaces for native mobile applications.

Key Accomplishments:

- Led visual design for a suite of apps and overall concept and design for promotional mini-site.

Sr. Web Designer

2011 - 2012

Match.com

Dallas, TX

Designed user interface, and web pages to meet branding guidelines and web best practices.

Key Accomplishments:

- STIR.com branding/UI design for desktop and mobile web pages, emails and all supporting initiatives.
- Chemistry.com website design
- Chemistry.com Flash mini-game concepts and designs.

Sr. Web Designer

2008 - 2011

Travelocity

Dallas, TX

Key member of Travelocity's I.D. (Innovation Design) Team.

Key Accomplishments:

- Led design for Travelocity's "Global Trips" (shopping and checkout path for Travelocity and Travelocity partners worldwide)

- "Innovator of the Year Award" for established companies at the Travel Industry Association's annual TravelCom conference in 2008.
- Contributing Designer, Flash Developer and IA for Travelocity's ExperienceFinder (travel research/ planning tool, destination stores and media vehicle) application.

EDUCATION

Bootcamp, Southern Methodist University - Dallas, TX

A 24-week intensive program focused on gaining technical programming skills in HTML5, CSS3, Javascript, JQuery, Bootstrap, Firebase, Node Js, MySQL, MongoDB, Express, Handelbars.js & ReactJS.

Degree or Certification, Full Stack Web Development - Southern Methodist University
